Francis:

I have attached a draft of a Protective Order we have prepared with respect to the MedCon/Hill matter to (hopefully) get the parties to disclose the underlying documents to the settlement to allow us to move forward with collection efforts. Jim's thoughts were to circulate it with counsel for the other parties to see if they will agree, and then proceed forward with an intervention motion if not to get the Court's assistance in getting this accomplished. Since Jim is not admitted for this matter, he wanted me to forward this to you to circulate for approval or changes. Hopefully he had a chance to talk with you last week about this, but let me know if you have any questions or concerns.

Thanks,

Miles

Mr. Keysa –

The Hill litigation has concluded with respect to my client. I will not undertake to review your protective order or take further action. There is already a protective order in the case which governs the conduct of the parties.

Just wanted to check in with you to see if the proposed protective order looks ok to you and if you had a chance to circulate it with counsel yet.
